

GOGEBIC, IRON, AND ONTONOGAN COUNTIES

# FARM FRESH FOOD GUIDE

*A listing of farms with direct purchasing options.*

The Novel Coronavirus (COVID-19) has disrupted life for many of us and our families. Luckily, we still have access to locally produced food. Buying locally can shorten the contact chain with your food and many farmers are offering new pick-up options.

Times like these remind us of the importance of a strong regional food system: local producers have thriving businesses, consumers have access to safe, healthy, delicious food, and these relationships sustain our communities. The more we support our local food system, the more resilient we are in times of crisis!
